**Notes:**

The above budget uses an exchange rate of 1 EUR = UGX 4100.

The budget for meals covers 200 days of a school year, being 40 weeks a year (Monday to Friday), since the pupils are on holidays for the rest of the year. The meals provided are break tea and lunch, since the pupils are day scholars and get the rest of the meals from their caretakers.

School uniforms are provided twice (i.e. not every term) because two sets can be used by the child throughout the year.
